

RATED EXTRAORDINARY - FOOD & SERVICE

Chatham's Place

Review Highlights - Just "steps from Restaurant Row", this "cozy, comfortable" Dr. Phillips "charmer" is "where the locals eat", in part because they "always feel welcome" while indulging in "divine" Continental cuisine (the "flavors are bold yet well-balanced") accompanied by a "wonderful wine selection"... the "impeccable service" and nightly guitar "serenading" will have you feeling like you're eating at "your personal restaurant."
